

INTRODUCING THE STARKEY IQ PRODUCT FAMILY

Register now for our **FREE**
professionally endorsed webinar

REGISTER

The technology you've been waiting for is here!

Our revolutionary new product lines — **Muse iQ**, **Halo iQ** and **SoundLens Synergy™ iQ** — allow patients to be immersed in the world around them like never before. Built on our proven **Synergy platform** with **Acuity OS 2**, our new iQ lines help patients engage in life in a richer and more personal way.

See below for more information on how to join our WebEx session!
