

# WEBINAR LEARNING SERIES

## Inspire 2018: Simple and Intuitive

## Have You Missed Our Latest Webinar?

That's OK, you can attend our Starkey Webinar Learning Series by viewing the recording via the link below:

### Starkey Webinar Learning Series – Inspire 2018 Simple and Intuitive

Recorded version-20180904 0505-1

You need to feel confident when programming today's sophisticated hearing aids, and Inspire 2018.0, the latest version of our simple and intuitive programming software, allows for true personalization of each patient's specific needs. This course will provide a detailed overview of each screen of the Inspire 2018 software.

This recorded webinar is a professionally endorsed activity

*AudA: Endorsed: CPD1819 014 (Category 1.2) (1 CPD point)*

*ACAud Endorsed: 201818 (2 CEP points)*

*HAASA Endorsed: CPED2018-2020(09082018) (1 CPED point)*
